

Shambhala Online resources for practitioners of Kagyü and Nyingma sadhanas

All these talks are listed in the Shambhala Online Library shambhalaonline.org/library.php

You can access the details of each talk, particularly the most recent ones, by clicking on the title of the talk itself. That takes to a description of the main themes and topics covered in the talk. From there, you can click on to access the talk itself. You will need your Shambhala Account name and password.
