

# Protectors of the Three Courts

From the domain of the three courts, I request all protectors of Shambhala to arise instantly. Guide me, support me, bless me in all my activities as a warrior of Mukpo.

I call upon Lord Gesar Norbu Dradül.  
I call upon the great protector Mahākāla.  
I call upon the indestructible protector, Vajrasādhū.  
I call upon the expedient protector, Vetāli.  
I call upon the mother of all protectors, Ekajaṭi.  
I call upon the all-seeing Rāhula.  
I call upon the swift Magyal Pomra.  
I call upon the warrior Nyentak Marpo.  
I call upon the visionary Dorje Yudrönma  
Thus, I call the dralas of lha, nyen, and lu.  
Expedite my every wish.  
Protect my home and my kingdom against corruption and dōns.  
Bless my morning so that I may arise fresh.  
Bless my evening so that I may remain accident-free.  
Bless my sleep so that I may dream well.  
Purify all contaminations.  
Fiercely protect the Shambhala lineage.  
May the world be free from plague, famine, and war.  
May the world enjoy peace.  
Thus, I make this offering.
