

Warrior Assembly is the culmination of the *Sacred Path* program and the jewel of Shambhala Training. Participants receive transmission of the advanced Shambhala practices of stroke and lungta, and study the Shambhala root text, *The Golden Sun of the Great East*. The daily schedule includes meditation, formal talks, stroke practice, study, discussion, and social events. Students who have completed *Golden Key* are invited, and highly encouraged, to experience this residential warriors' retreat...a living experience of creating enlightened society.

Warrior Assembly is a pre-requisite for attending Sacred World Assembly (Vajrayana Seminary).

For information on individual programs, including costs, financial assistance and links to the application forms, see:
